

Good day.

Thank you for considering Turtle's Nest Beach Resort for your upcoming vacation located on beautiful Meads Bay Beach on our island paradise Anguilla which remains COVID-19 free.

As we prepare once again to welcome you, back to the island, we will continue to keep you updated on the safety and status of the island so that you can make an informed decision on your travel plans.

After our temporary closure due to COVID-19, we are looking forward to reopening our resort for our 2020/2021 season beginning November 1<sup>st</sup>, 2020 as per the Government of Anguilla's Phase 2 approach **"Stay in Place/Bubble Concept"**. While a 10-14-day quarantine period is still in effect, the quarantine period during this phase provides a much more agreeable approach allowing guests to relax and enjoy the island experience upon arrival.

You still must apply to visit Anguilla through the Government's website <https://ivisitanguilla.com/escape/> and you still must have a COVID-19 test 3-5 days prior to arrival.

The Government's approach for the 2nd Phase Opening is a "Stay in Place/Bubble Concept". Upon arrival, you will be asked to do another Covid-19 test before a certified taxi will take you to your resort. You are then required to "stay in place" for 10 to 14 days, depending on where you are traveling from.

During your 'stay in place' period Turtle's Nest will have a designated beach area ready for you, always following all social distancing and hygiene requirements. You can spend as much time as you want to enjoy Meads Bay, take a swim or snorkel, but it will be limited to a designated area in front of your resort. Guest are not confined to their rooms, you will have access to the entire property, including the pool, beach and ocean in front of Turtle's Nest Beach Resort only.

- There are various restaurants and caterers offering deliveries to your villa, so you can enjoy a lovely meal in the privacy of your balcony or porch. A list of restaurants and caterers will be included in with your Welcome Package.

- If you like to go out for dinner during the 'stay in place' timeframe, you can make breakfast, lunch, or dinner reservations at Straw Hat Restaurant beginning November 20<sup>th</sup>, 2020.
- As usual if you prefer to eat in Turtle's Nest Staff would be only too happy to stock your condo with food, wine and spirits prior to arrival and at any time during your stay. If you find that you are needing extra food/drink items during your stay a quick email to our office [info@turtlesnestanguilla.com](mailto:info@turtlesnestanguilla.com) with a list of all your required grocery items and we would be happy to shop for you. All our condos have a fully equipped kitchen.
- If you are ordering food to be delivered to the resort and would like table and chairs set up on our pool deck please contact our front desk who will make sure your dinner under the stars will be an enjoyable night.
- We have snorkeling equipment that will be available for guests use.
- November 14<sup>th</sup>, 2020 the golf course will reopen and will have designated days each week for guests in quarantine with a government-approved taxi transfer.
